

About **Bella Antal**

Bella Antal is a Support Specialist/Fiscal Services for Connect. She has been with Connect since May 2018.

As a Support Specialist/Fiscal Services for Connect, Bella provides support to the State Software team and she is involved with the implementation of Redesign. She offers assistance and resources to our clients in utilizing data systems, troubleshooting software problems, workflow investigation, and training.

Prior to joining Connect, Bella spent almost 20 years working in the financial industry. She comes with a solid background in financial services, data management and analytics, auditing, and project implementation. She has worked through multiple industry-wide shifts to new technology and system upgrades.

Bella finds great fulfillment in spending quality time with her family and friends. Aside from watching indie movies and reading, she also enjoys exploring new destinations, customs and cuisines.
