

About **Bonnie Ripley**

Bonnie Ripley is a Systems Analyst/System Services for Connect. She has been with Connect since 1998.

Bonnie has an Associate of Business in Data Systems. Bonnie supports all aspects of the PowerSchool Student Information Systems environment. This includes but is not limited to maintaining 45 Oracle Database systems which consist of 21 production, 21 test, and three training systems. She has been an Oracle DBA for 20 years. Bonnie also creates and updates web pages on our Connect web site as needed.

Previously, she worked with eSIS/AAL & PowerSchool systems and their respective web applications and servers, utilizing linux, vms and windows system environments.

Prior to working at Connect, Bonnie worked for the Lorain County Auditor with Oracle Financials.

Bonnie and her husband have twin sons with families that they adore. Many of their best friends are their family members. She enjoys travel, antiquing, and shopping.
