

About **Josh Pease**

Josh Pease is a Support Specialist/Library Services for Connect. He has been with Connect since August 2016.

As a Library Support specialist, Josh assists Connect clients with the daily operation of their library media centers, provides regular database maintenance, and offers solutions for software usage problems within the Sirsi Dynix library software.

He also provides both in-house and customized individual on-site training for the Sirsi Dynix library software along with the electronic resources provided through INFOhio.

Prior to working at Connect, Josh worked at Cleveland Public Library, Cuyahoga County Library, and the Bedford City School District as a School Librarian/Media Specialist.

Josh lives in Newburgh Hts and enjoys reading, riding bikes, wrenching on bikes, and cooking.
