

# Homework and Marks Posted to Parent Access Report Quick Reference

Toggle between displaying report selection options and report data.

Click to view Help information.

Save selected options as custom report to run as needed.

Select at least one class, start date and end date. To select multiple classes, click desired check boxes in the list. Click off the list to collapse it.

Select either the Yes or No option.

Select as many filter options as needed. See list on back for available options.

Delete optional filters.

Click to view report results (same as View Report button in banner).

Enter a word or phrase in the Search field, then click Find.

Select the desired file format in the list, then click Export. You can print the report, if desired, from the software application to which you have exported.

To print the report, if using Internet Explorer, make sure to install the SQL Server Reporting Services 2008 ActiveX control if prompted.
