

Student Progress by Assignment Type Report Quick Reference

The Student Progress by Assignment Type Report Builder report is for classes using the Custom Setup 2 grading scale that use a point mark type and have a default assessment selected. The report displays the students' overall class averages, averages by assignment type with total points earned out total points possible, as well as period attendance for individual and multiple classes in individual or multiple reporting periods. If you are trying to run the Student Progress by Assignment Type report on a class using traditional grading, please use the Student Progress by Assignment Type report in the Classic Report list.

Toggle between displaying report

selection options and report data. Save selected options as custom report to run as needed.

Click to view Help information.

Select a at least one class and one period. To select multiple classes, click desired check boxes in the list. Click off the list to collapse it.

Select as many filter options as needed. See list on back for available options.

Update Report Headers

Report Header: Student Progress by Assignment Type

Assign unique report name to display at top of report, if desired.

Select Required Parameters

Class: Math - Gr 02: 4

Periods: Q1

Set Optional Filters

Field Name	Operation	Value	
Student Last Name	Begins With	D	

Delete optional filters.

Add & Remove Columns

No columns are available to add or remove.

Click to view report results (same as View Report button in banner).

View Report

Enter a word or phrase in the Search field, then click Find.

Select the desired file format in the list, then click Export. You can print the report, if desired, from the software application to which you have exported.

Student Progress by Assignment Type
